Track and floodlight

Description

48V LED W 7W HEADLIGHT WITH CHR RING - HOLE

Round LED projector with integrated driver and spot light emission. Applicable to wall, ceiling, suspension and track (it can be installed on GROOVE evo and YAKI evo). Available with black or white base, with ring in six finishes (white, black, chrome, gold, bronze and copper). Adjustable on two axes can be tilted at 355° on the vertical axis and adjusted $\pm 90^\circ$ on the horizontal axis. Proposed with optic of 38° and available optic of 12° to be ordered separately as accessory. Die-cast aluminium body powder painted. Thanks to its versatility is suitable for retail rooms, residential and museum spaces as it provides a pleasant light, free from glare and shadows.
