

MAAR LAU001N

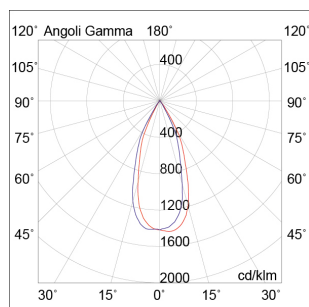

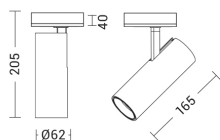

INDOOR Track and floodlight

Description

MAAR - TRACK LED SPOTLIGHT 10W 3000K - MONOPHASE MINI

High efficiency track-mounted LED projector adjustable on two axes. Die-cast aluminium, powder coated. It can be mounted on threephase track GROOVE evo, YEN BINARIO and on monophase track SQUASH and SQUASH PRO. Light beam lens 36°, other lenses (to be ordered separately) to adjusted the light beam at 12°, 24° and 60°. Thanks to its excellent colour rendering (CRI?90) it is also suitable for shops and retail areas. Provides a uniform light emission without glare and shadows. Available in different powers, in three finishes (white, black and grey) and two gradations (3000K and 4000K). Available wall adapter as accessory (to be ordered separately).
