INDOOR Suspension lamps

Description

LOTUS - SUSPENSION LED 3K WHITE 30W

Ceiling and pendant LED (3000K) lamp made of painted metal with a rounded and asymmetrical shape. Body only 5.8 cm high, which allows the product to be applied in rooms with low heights. Circular acrylic diffuser, full in the central part for the ceiling version and hollow in the center in the pendant version, allowing excellent light diffusion in both solutions. Available in three sizes and corresponding wattages and three finishes (white, black and gold).
