INDOOR Suspension lamps

### Description

#### SUSPENSION LED 60W 4K B - MO'N

LED luminaire for direct light emission for ceiling installation or direct and direct/indirect light emission for suspension installation. Aluminium body and polycarbonate diffuser for diffused light emission without glare and shadows. Thanks to its minimal design and its excellent colour rendering it is suitable for modern homes, hotels and restaurants. Available in three sizes and related powers, two finishes (white and black), two gradations (3000K and 4000k) and in dimmable DALI version.
