

PLATE PLT006B

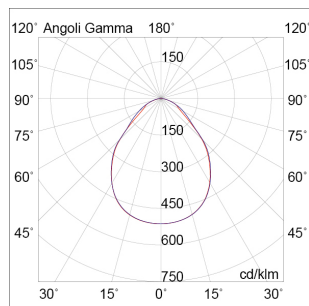

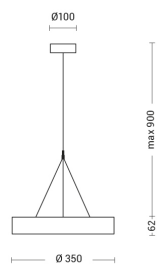

Suspension lamps

Description

PLATE - SUSPENSION LED 3000K D.35

Ceiling and pendant LED with switch to select three different gradations (2700-3000-4000K). Lamp with aluminum frame available in white finish. The opal polycarbonate diffuser ensures even light diffusion without glare or shadows. Thanks to its small size and minimal design, it is perfect for lighting modern homes with contemporary furnishings.
